Re: IN THE MATTER OF THE APPLICATION OF MIDAMERICAN ENERGY COMPANY FOR A
CERTIFICATE TO PROVIDE ELECTRIC SUPPLY SERVICES WITHIN THE STATE OF DELAWARE
(FILED APRIL 5, 2007) - PSC DOCKET No.07-100

Dear Ms. Baird-Forristall:

On September 1, 2016, the Delaware Public Service Commission ("PSC" or the "Commission") received a request by MidAmerican Energy Company (the "Company" or "MidAmerican") to relinquish its Electric Supplier Certificate ("ESC") in Delaware. Order No. 7211, issued June 19, 2007, in PSC Docket No. 07-100 approved the application of MidAmerican for an ESC.

In a previous filing with the Commission, dated September 15, 2015, the Company provided notice to the Commission of the assignment of customers to MidAmerican Energy Services, LLC effective approximately January 1, 2016. Additionally, the Company provided an updated FERC Market-Based Rate Authorization for MidAmerican Energy Services, LLC. Lastly, the Company did provide notice to customers of the assignment, and the change had no effect on the terms and conditions or service to customers. The Commissions records confirm this; therefore the effective date for the relinquishing of the ESC will be September 5, 2016.

Please do not hesitate to contact me at (302) 736-7534 or by email at toni.loper@state.de.us should you have any questions, or if I can be of any assistance.

Sincerely,
